Treasury issues and levy collection update

Unpaid levy update -

2021/22 - £28239.79

2019/20 - £17926.38

The figures have come down slightly in the past month. Also taking into consideration that Live Argyll is not in this years figures, however sill adrift by 7k. Covid is still in the forefront of peoples minds regarding bills, therefor the figures may be expected to be lower. CM will send 21/22 report to highlight the unpaid levy payers tomorrow. CM will also check regarding the 7k discrepancy

CM highlights the value on bringing Mrs Macs Books on board to handle DP book keeping. Ross and Co are now not part of DP accounts.

Events update

CM and JM are busy organising Dunoon Dazzles Winterfest. Bar licensing should be in within the next week or so. Signs have now been put up on lampposts for public consultation regarding the road closures for the event.

Tents and events can no longer do the market stalls, however there is now a wet weather contingency plan in the Burgh Hall incase the weather is bad.

27th, 4th ,11th bodies are needed to build the stalls for the markets. 27th - 20 stalls 4th - 21 stalls 4th - 19 stalls, all needs to be tied down. AG suggests asking the levy payers stall holders to bring someone along to help build their own stalls. Tables and risers will be loaned from the Queens Hall. AG has been in contact with Craig Wilson and he is loaning and setting up the bar, which consists of 2x 2m, back gantry for optics and 4 taps. Looking for experienced people to help work behind the bar - £10/ph. Friday opening 6-11pm, Saturday 2pm-11pm, Sunday (wait to see what is left on Saturday evening.) Bar stock - JM asks if bookers will deliver, AG - will deliver but won't deliver kegs, recommend pick up from Bookers. FC asks if Oakbank could order the Tennants kegs on our behalf, CM will ask about this tomorrow.

JM - look into eventbrite to sell free tickets for the Friday evening gig to gage how busy the event will be.

RP - could a small event be put on on Sunday afternoon to empty the bar? AG open mic?

Light switch on Sat 27th at 5pm, fire brigade will be introduced to the crowd at 4.15 and will turn on the lights.

Projects with A&B Council

Meeting with Fergus Murray - no meetings for the pier working group that AB and CM were invited on last year.

AOCB

All accounts will be published to website.

Will ask Alasdair to publish minutes to website.

CM will look into clearing the walkway next to Sinbads.

RP asks what is happening with the pump track as he is taking on a new unit and will not have the storage to keep it anymore. CM get rid of the pump track. RP suggests donating it to the nursery.

Vouchers - CM hopes to get new vouchers out very soon. Need to stop selling the old vouchers. Old vouchers are dated till the end of December but will still be honoured. JM new vouchers don't print the date, whoever is selling write the date of sale and the voucher will be valid for a year after this date. Vouchers will now be redeemed in Burgh Hall.

JM asks about payment for his time for Dunoon Dazzles Winterfest. All are in agreement that JM should be paid for taking time out of his own business to help DP

with events. JM suggests £150/day or £9.50p/h. Board in agreement JM should invoice at the end of event for payment.

CM will get draft budgets out to the board middle of next week. Outgoing and incoming estimates will be provided.

JM - there is a fund out now by the government that is fully funded. Artists register and the government will cover the costs to tour and pay, or venues will apply for themselves. Board in agreement that application should be filled out for this.
